On foot: Choose one of the routes below from various London tube stations and use the map on the next page.

Are you the kind of person who likes to get 'there' post haste?

If so here's the quick route which will get you to our offices in 3 minutes (pink route on the map) Come out of Covent Garden Tube and turn right, turn left onto Floral Street and then right onto Bow Street, miss out the market – make up a minute!

Or would you prefer to take a leisurely stroll and take in one of the most fantastic atmospheres in London for an additional minute on your journey?

If this is you, it's a lovely 5 minutes walk from Covent Garden Tube Station to our office (yellow route on the map). Turn right on leaving the station onto James Street then left into Covent Garden Market, continue around the market and turn left onto Russell Street. Bow Street is the 1st left and CCE is 100 yards along on the right (part of the Design Council Building), opposite the Royal Opera House.

You can also reach our offices easily from Holborn Tube which is a 7 minute walk. Come out of the tube station onto the Kingsway and cross the road so you're on the same side as Sainsbury's. Turn left and walk down the Kingsway then turn right onto Kemble Street. Continue forward on Kemble Street which becomes Russell Street, continue down Russell Street towards Covent Garden Market and Bow Street is on the right.

By Bus: The nearest bus stops run along the Strand which is a 5 minute walk away.

Bus numbers which stop on The Strand are: 6, 9, 11, 13, 15, 23, 77a, 17
